NOKTIS

Electronic Press Kit 2027 | Hard Techno DJ from Hamburg and Northern Germany

NOKTIS is a high energy Hard Techno act from the Hamburg area, built for clubs, festivals and public events. The sound is driving, vocal heavy and drop focused, with strong crowd interaction and a clear focus on intense peak time and closing moments.

Home base	Main sound	Best fit	Booking
Hamburg area	**Hard Techno**	**Clubs Festivals Public Events**	**djnoktis.com**

Artist Profile

NOKTIS stands for fast, energetic Hard Techno with clear hooks, big drops and a direct connection to the crowd. The project is positioned as a club and festival act, especially for line ups that need a powerful opening, support, peak time or closing slot with a modern northern German edge.

Besides the Hard Techno focus, NOKTIS can adapt to selected public events and mixed audiences when needed. For festival and techno bookings, the primary identity remains clear: NOKTIS is a Hard Techno act.

Live References

Venue or Event	Context	Notes
Große Freiheit 36 Hamburg	Closing set	Hamburg club reference with strong late night crowd energy
Club 25 Hamburg	Club closing	Additional Hamburg nightlife reference
Hitfelder Mühle	Club and event booking	Regional event reference
La Aruba	Club booking	Open format and party crowd experience
Bürgerfest Holm Seppensen	Public event	Public crowd and stage experience

Set Character

- Driving Hard Techno with modern pressure, strong vocals and memorable drops
- Built for high energy crowd moments, transitions from tension into release and clear peak points
- Comfortable with opening, support, peak time and closing situations depending on the event
- Stage presence focused on crowd activation, hands up moments and direct room control
